SKILLS

- Team Work
- Inovation Skills
- Excellent Knowledge
- Project Management and Documentation

EXPERINCE IN

Frameworks
- Express
- Next js
- Angular js
- Spring boot

Databases
- Mongodb
- Mysql

UI / UX Design
- Figma

Technical skills
- Google docs, sheets, forum
- Microsoft word, powerpoint, excel

Project Management
- Git
- Npm
- Stack

PROFILE

An expert web developer with a passion for creating dynamic and user-friendly websites, I am specialized in crafting seamless digital experiences. My expertise spans a wide range of technologies, enabling me to develop innovative solutions. With a strong foundation in problem-solving, excellent communication skills, and a keen eye for design, I am committed to delivering high-quality projects that exceed expectations. My creativity, combined with my technical knowledge, allows me to bring unique and effective ideas to life on the web.

EDUCATION

BSC Computer Science Degree (4 Year)
Informatics Institute of Technology | IIT Campus
- 1st Year Completed — 2024 - 2024
- 2nd Year Ongoing — 2024 - 2024

Foundation Certificate — 2023 - 2023
Informatics Institute of Technology | IIT Campus

Java Application Development Using JavaSE (8 Week Traning Course) — 2023 - 2023
University Of Colombo School Of Computing (UCSC)

COMPETITION PARTICIPATION

Cutting Edge — 2023 - 2023
Informatics Institute of Technology | IIT Campus

IESL JIY — 2022 - 2022
Institution of Engineers Sri Lanka
